EDUCATION

Rice University

Currently Enrolled

Fullstack Web Development Bootcamp Certification

Houston, TX

- I am trained in JavaScript, CSS, and HTML as well as fully certified in MERN Stack Web development.
- I have extensive knowledge of essential naming conventions, file structure, README creation, group work and more! I'm a big fan of Chrome Dev tools and debugging in the browser.

WORK EXPERIENCE

Starbucks Coffee Company

Oct. 2021 – Present

Shift Supervisor & Play Caller

Conroe, TX

- Starbucks offers coffee and other related products to customers all around the globe. ([Starbucks.com](#)).
- As a Supervisor I oversaw and managed shifts daily and at various locations. Ensuring systems were running properly was my number one priority.
 - Promoted to Supervisor within 6 months of being hired.
 - Given several top accolades, including fastest drive-thru times and best bookkeeping in my district.

Functional Fitness Products

Nov. 2020 – Aug. 2021

Sales & Client Representative

Ventura, CA

- FFP sold high-end exercise equipment to customers throughout the nation. ([Functionalfp.com](#))
- Generated leads and focused on both networking and user experience.

Some Past Projects

- Previous Personal Work:
 - [Weather Dashboard\(Front End\)](#)
 - [Employee Tracker \(Node.js/Back End\)](#)
- Previous Group Projects:
 - [Foodr\(UI/UX Work\)](#)
 - [Vet Database\(Full Stack\)](#)
